

CORRIGENDUM

Sub: - Rectifications of discrepancies in Delegation of Powers.

Board vide its Resolution No. 11263 dated 18/12/2014 has accorded approval to the revision in Delegation of Powers to various officials for execution of engineering works.

However, it has been noticed certain discrepancies in the revised Delegation of Powers which need to be rectified.

VC & MD has ratified the same and the corrected provisions as ratified by VC & MD are as follows:

Sr. no. of DoP	Nature of Power.	Powers delegated.	Financial concurrence	Remarks
2 a)	Powers to accord administrative approval to works	MD - 2000 Lakhs CE - 150 Lakhs ACE - 60 Lakhs SE - 15 Lakhs EE - 1 Lakh	CAO CAO Sr.AO Sr.AO Sr.AO	These powers should be exercised subject to following conditions: 1) Subject to Project Provision and Budget Provision. 2) The work if not covered in Approved Budget, prior Approval of MD is necessary.

(ii) All Bid & Contract Documents, after approval from competent authorities, shall be signed by the concerned Executive Engineers for the works under his technical sanction.

(iii) After issuance of Acceptance letter to the Contractor, all the Contractual Documents such as Acceptance of Bank Guarantee, Work Order, and Contract Agreement etc. shall be signed by the concerned Executive Engineer only.

Clarification to Note no. 2 on page no. 9:

The amounts mentioned in the power to accord Administrative Approval is for the estimated amount of the subject work and an additional 5% for contingencies shall not necessitate revised administrative approval. However, in case of variation in the work that requires use of 5% contingencies must get approval from CE.

This circular is issued as approved by VC & MD.
