

Executive Summary

- 1 Introduction
- 2 The Objectives
- 3 Salient Findings in Brief

Chapter 1 : Introduction

- 1.1 Navi Mumbai - The Locale & Population Scenario
- 1.2 The Rationale of the Study
- 1.3 The Objectives
- 1.4 Methods and Materials
- 1.5 The Layout of the Report

Chapter 2 : Location and Characteristics of the Schools

- 2.1 Number and Location of Schools
 - 2.1.1 Spatial distribution of schools
 - 2.1.2 Location of schools by nearest mode of public/private transport
- 2.2 Characteristics of Schools
 - 2.2.1 Year of establishment of schools
 - 2.2.2 Ownership status of schools
 - 2.2.3 Status of school premises
 - 2.2.4 Distribution of schools by class standard
 - 2.2.5 Distribution of schools by financial grant status
 - 2.2.6 Distribution of schools giving co-education
 - 2.2.7 Distribution of schools by affiliation (syllabus)
 - 2.2.8 Distribution of schools by medium of instruction

Chapter 3 : Infrastructure, Physical and Sports Facilities

- 3.1 Physical Facilities Available at Schools
 - 3.1.1 Distribution of schools by number of classrooms
 - 3.1.2 Facilities available at schools
 - 3.1.3 Package of physical facilities available at schools by type of management
 - 3.1.4 Medical facilities available at schools
- 3.2 Sports Facilities Available at Schools
 - 3.2.1 Availability of playground at schools
 - 3.2.2 Availability of facilities for sports and extra curricular activities

Chapter 4 : Student Enrolments, Annual Fees and Results

- 4.1 Student Enrolments in Schools
 - 4.1.1 Trends in enrolment of students in schools by sex from 2004-'05 to 2008-'09
 - 4.1.2 Average Annual growth rate of student enrolments during 2004-'05 and -2008-'09
- 4.2 Student's Annual Fee Structure
 - 4.2.1 Free education
 - 4.2.2 Average annual fees in Private Schools/composite schools/junior colleges
- 4.3 School/Junior College Results of SSC/HSC Examination of 2007-'08
 - 4.3.1 Performance of boys & girl students in SSC and HSC Examinations
 - 4.3.2 Performance of students in SSC and HSC examinations by type of management
- 4.4 Mode of Transport Used by Majority of Students

Chapter 5 : School Staff (Teaching & Non-Teaching): Size, socio Demographic & Economic Characteristics

- 5.1 Total Number of Teaching and Non-Teaching Staff and Student-Teacher Ratio
 - 5.1.1 Student - teacher ratio
 - 5.1.2 Average number of teaching and non-teaching staff per school
 - 5.1.3 Percentage distribution of school staff by social classification
 - 5.1.4 Percentage distribution of school staff by educational qualifications

- 5.2 Demographic Characteristics of School Staff
 - 5.2.1 Age-sex composition of teaching and non-teaching staff
 - 5.2.2 Age-sex composition of staff by type of management
- 5.3 Economic Characteristics of School Staff
 - 5.3.1 Distribution of school staff (teaching and non-teaching) by monthly salary
 - 5.3.2 Average monthly salary of staff (teaching and non-teaching) by type of management
 - 5.3.3 Average monthly salary of school teachers by educational qualifications
- 5.4 Status of Employment of School Staff
 - 5.4.1 Status of employment of school staff by sex
 - 5.4.2 Status of employment of school staff by type of management
- 5.5 Place of Origin of School Staff
- 5.6 Mode of Transport Generally Used to Commute Between Residence and Workplace

List of Tables in Executive Summary

- ES Table 1: Number of Schools by Node/Area and School Management
- ES Table 2: Distribution of Schools by Affiliation (Syllabus) and by Type of Management
- ES Table 3: Total Numbers of Students and Staff and Student-Teacher Ratio by Type of Management, 2008-'09.
- ES Table 4: Average Monthly Salary (in Rs.) of School Staff by Type of Management

List of Tables in Text

- Table 1.1: Population of Selected Nodes of Navi Mumbai, 2005.
- Table 2.1: Distribution of Schools by Affiliation (Syllabus) and by Type of Management
- Table 2.2: Distribution of Schools by Type of Management and by Medium of Instruction
- Table 3.1: Facilities Available at Schools by Type of Management
- Table 3.2: Availability of Medical Facilities by Type of Management
- Table 4.1: Extent of Free Education for Students by Type of Management of Schools
- Table 4.2: Results of Students in SSC and HSC Examinations, 2008 by Sex and By Type of Management of Schools
- Table 5.1: Total Numbers of Students and Staff and Student-Teacher Ratio by Type of Management, 2008-'09.
- Table 5.2: Distribution of School Staff by their Educational Qualifications and by Type of School Management
- Table 5.3: Average Monthly Salary (in Rs.) of School Staff by Type of Management
- Table 5.4: Minimum and Maximum Monthly Salary (in Rs.) by Highest Educational Qualification and by Type of Management

List of Tables in Appendix

- Table 2.1: Number of schools by Node/Area
- Table 2.2: Number of Schools by Node/Area and School Management
- Table 2.3: Distribution of Schools by Nearest Distance from Mode of Transport by Node/Area
A. From Nearest Railway Station
B. From Nearest Bus Stand
C From Nearest Public Transport Facility
- Table 2.4: Year of Establishment of Schools by Node/Area
- Table 2.5: Distribution of Schools by Ownership Status and Type of Management
- Table 2.5A: Ownership Status of Schools by Node/Area

- Table 2.6: Construction Status of Schools by School Management
- Table 2.7: Distribution of Schools by Type of Management
- Table 2.7A: Distribution of Schools by Different Class Standards and by Node/Area
- Table 2.8: Distribution of Schools by Financial Grant Status and by Node/Area
- Table 2.9: Distribution of Schools by Node/Area Giving Co-education, Only for Girls and Only for Boys
- Table 2.10: Distribution of Schools by their Affiliation (Syllabus) and Node/Area
- Table 2.11: Distribution of Schools by Medium of Instruction
- Table 2.12: Distribution of Schools by Medium of Instruction and Node/Area
- Table 3.1: Distribution of Schools by Number of Classrooms and by Type of Management
- Table 3.2: Overall Facilities Available at Schools by Type of Management
- Table 3.3: Distribution of Schools by Health and Related Services Provided at Schools by Node/Area
- Table 3.4: Availability of Play Ground at Schools by Type of Management
- Table 3.5: Availability of Sports and Extra Curricular Facilities by Type of Management
- Table 4.1: Number of Students Enrolled in Schools by Sex and by Type of Management from 2004-2005 to 2008-2009
- Table 4.1A: Number of Students Enrolled in Schools by Standard and by Type of Management for the Academic Year 2008-2009
- Table 4.2: Average Annual Fee in Private Schools by Standard, 2008
- Table 4.3: Results of Students in SSC and HSC by Sex, 2008
- Table 4.4: Distribution of Schools by Mode of Transport Generally Used by Students to Reach School
- Table 5.1: Average Staff (Teaching & Non-teaching) per School by Type of Management
- Table 5.2: Distribution of Schools Staff by General/Reserved Category
- Table 5.3: Age Sex Distribution of School Staff
- Table 5.4: Age-sex Pyramid and Percent Distribution of School Staff by Sex and by Type of Management of School
- Table 5.5: Distributions of teaching and non-teaching staff of Schools by monthly salary
- Table 5.6: Average monthly salary (in Rs.) of school teachers by their educational qualification
- Table 5.7: Distribution of School Staff by Sex and by Status of Employment
- Table 5.8: Distribution of Schools Staff by Status of Employment and by Type of Management of School
- Table 5.9: Percentage Distribution of School Staff by Place of Origin
- Table 5.10: Percentage Distribution of School Staff by Mode of Transport Generally Used to Reach School
