CIDCO has continuously maintained its tempo of faster growth in terms of executing multifaceted development projects and revenue generation as could be witnessed from the performance for preceding years. The corporation during this year tried to sellout the unsold commercial premises, Railway Station complexes and remaining tenements from the previously launched housing schemes.

Details of Hetawane & Balganga Dam Project

1. Hetawane Water Supply Scheme

Navi Mumbai is being supplied water from the source developed by NMMC, MIDC and MJP. In order to have our own water supply scheme Hetawane Water Supply Project was undertaken by CIDCO based on Hetawane Dam as a source developed by the Irrigation Department. The water supply scheme based on Hetawane Dam was conceived in the year 1990, tendered in mid-1992, completed in 2001 and commissioned from September 2002. The project is designed to supply 150 MLD water to Navi Mumbai, however presently only 135 MLD water is supplied, which will be extended upto 180 MLD after construction of tunnel across Hamrapur hill at 35 mtr RL.

Earlier in 2004 KIDC allotted 100 MLD water to CIDCO on permanent basis. Further, additional 50 MLD of water has been sanctioned on permanent basis from 1st April 2015, for which formal agreement was made between CIDCO & KIDC on 23rd March 2015. Board vide Resolution No. 11232 dated 02.12.2014 has accorded approval for payment of Rs. 148.81 cores to KIDC towards capital contribution for reservation of additional 50 MLD water on permanent basis.

Hetawane water supply project consists of drawing raw water from Hetawane Dam, giving necessary treatment at Jite which is 18.8 KM away from Hetawane Dam and conveying the pure water to Dronagiri, Ulwe & Kharghar nodes of Navi Mumbai along with 69 Nos. of enroute villages.

The water demand of Kharghar, Panvel, Kalamboli, Kamothe and Dronagiri, Ulwe & other CIDCO's areas (i.e. R&R, Pushpak, Karanjade, Kalundre, Taloja etc.) will increase to 499 MLD by year 2023. Now, we are fulfilling the need of water by borrowing pure water about 130 MLD from MJP, NMMC & MIDC for Panvel, Kalamboli, Kamothe & Taloja nodes. In order to fulfill the immediate demand of 499 MLD and future demand of 670 MLD by 2034, CIDCO has requested KIDC for additional quota of 160 MLD from Hetawane Dam so the total supply will be 310 MLD. The Augmentation of Hetawane Water supply scheme for 310 MLD need to be taken up. Further, CIDCO has taken up the Balganga Dam Project of 350 MLD Capacity & Kondhane Dam of 250 MLD Capacity as source of water to their development.

2. Balganga Dam project:

The Balganga Dam was transferred to CIDCO in the year 1990 by Govt. of Maharashtra. The Irrigation Dept., Govt. of Maharashtra, prepared the project report on Balganga Dam in October 1990 for 350 MLD of water supply at the ultimate stage of the project. The project is being taken up as deposit work to KIDC. The project cost in the year 1990 was Rs.67.62 crores and CIDCO Board vide Resolution No.5827 dt. 11.12.92 had sanctioned the project cost amounting to Rs.51.57 crores without centages and Rs.67.62 crores with centages.

Meanwhile, due to formation of SEZ, the Balganga Dam Project was handed over to NMSEZ Co. in January 2006. However, NMSEZ was unwilling to take this project due to the opposition of locals for land acquisition for SEZ area and subsequently Govt. had cancelled the allocation of Balganga Dam to SEZ in Raigad Dist. in 2009. For the future requirement of Navi Mumbai area, the Balganga Dam project was once again transferred to CIDCO by Govt. of Maharashtra. In January 2009, under the Chairmanship of Minister, Water Resources Deptt. and Water Supply & Sanitation Deptt., it was decided that construction of Balganga Dam will be carried out by KIDC on full deposit work for CIDCO and accordingly as per the KIDC's proposal estimate, Board of Directors of CIDCO had sanctioned the construction of Dam at a project cost of Rs.488.34 crores vide B.R. No.10070 dt. 20.02.2009. KIDC is constructing the Balganga Dam on full deposit basis and do all the Rehabilitation and Resettlement as well as land acquisition activities.

Accordingly, the contract of the work for construction of dam was awarded to construction agency by KIDC on 12.5.2009 for Rs. 495.45 crores. CIDCO approved the contract cost vide B.R. No. 10197 dt. 25.8.2009 for Rs. 495.45 crores and the construction of dam is actually started on 2.4.2010 by KIDC.

Further, the cost of construction of dam, Rehabilitation and Resettlement, land acquisition expenditure projected by KIDC are revised from time to time. The land acquisition rate of Rs.21.00 Lacs / Ha. was approved by the Board and sent proposal to GoM for approval. Similarly, Rehabilitation and Resettlement scheme was approved by CIDCO Board for an amount of Rs.217.57 crores and the proposal was sent to GoM for approval and approval to the proposals are awaited.

After actual commencement of work, since the construction cost of Dam increased from time to time by KIDC from Rs. 495.45 crores to Rs. 593.73 Crores in February 2011 to Rs. 1220.19 crores in June 2011 within a span of one year & the total cost of the project was revised as anticipated by KIDC to Rs. 924.06 crores in April 2010 then to Rs.1183.35 crores in February 2011 and then Rs. 1970.56 crores in June 2011. This increase in cost is mainly due to abnormal increase in rate & quantity of excavation in soil, hard rock, embankment & concrete items. These items are proposed by KIDC to be paid as an extra items.

To assess the reasons of increase in quantities of Hard Rock Excavation, Concrete & rates thereof & to finalize the probable completion cost of construction of dam, CIDCO appointed 3 Nos. of Committees earlier. All the 3 Committee's deliberated & studied the issue from May 2011 to December 2013. The report of all the Committees were discussed in the various Board meetings from time to time. There was large difference in probable completion cost concluded by earlier 3 Committees. None of the report was found conclusive in terms of recommendation of payments & probable construction cost of Project. No concrete consensus & decision could materialize from the 3 Committees constituted. Hence, the CIDCO Board appointed 4th Committee under the justice Shri B. G. Gaikwad with Two Technical Experts from WRD Departments in the December 2013.

KIDC has increased cost of construction of dam beyond the approved cost & executed the work without seeking approval of CIDCO. Therefore, CIDCO could not provide funds beyond approved cost for construction of dam to KIDC. The work was stand still from May-2012. In the meantime, the construction agency filed a Writ Petition in the Hon'ble High Court in December 2013 for non-receipt of payments against work done.

The matter of constitution of 4th Committee was apprised to Hon'ble High Court. The court directed the 4th Committee to hear all parties i.e. Petitioner- Construction Agency, CIDCO, KIDC & further directed State Govt. to intervene in the matter as per agreement between CIDCO KIDC. The 4th Committee observed the breach of Agreement executed between CIDCO & KIDC.

Thereafter, the matter was heard in the Bombay High Court during December 2013 to July 2015. During the hearing conducted on 17.7.2015 & as agreed by all parties, the Hon'ble High Court constituted the Arbitral Tribunal constituting of 5 members with one Presiding Arbitrator as a Retired Justice of High Court and other arbitrator members appointed by State Govt., Petitioner-Construction Agency, CIDCO & KIDC respectively. Accordingly, the Arbitral Tribunal proceedings were conducted & as of 31st March 2018 22 (Twenty-two) Numbers of meetings of Arbitral Tribunal were held. The award is not yet finalized.

The Project requires 1579.78 Ha. land in Taluka -Pen, Dist. Raigad. About 1058.79 Ha. is under submergence, 159.78 Ha is required for rehabilitation (R&R) & 361 Ha. of land is under forest. The Collector, Raigad declared the awards for land acquisition of submergence area.

The proposal for diversion of forest land was submitted by KIDC to DCF in August 2011 & then to PCCF, Nagpur in February 2012. The compliance of points raised by PCCF & submission of online proposal as per new policy of forest dept. is in progress by KIDC & coordinated by CIDCO.

The people of Navi Mumbai have to travel to each terminus for boarding long distance originating / terminating trains. Under these circumstances, it was deemed necessary to develop a Coaching Terminus for long distance trains in Navi Mumbai.

Panvel is emerging as a major transport center and with traffic from five different directions viz namely CSMT, Diva-Karjat, Roha and JNPT. Panvel is the only main line station in Navi Mumbai and well connected by suburban trains as well as by roads. Panvel is identified as the most suitable location, in view of its strategic location, having direct connectivity towards northern and western India via Diva-Vasai to Coastal Karnataka and Kerala via Konkan Railway, Eastern part via Kalyan-Nashik and to Hyderabad, Bengaluru and Chennai via Karjat-Pune.

Although the area has considerable traffic demand to make the project attractive for BOT, the cost for around improvement owing to the marshy soil condition of the area escalates the project cost. The financial feasibility analysis reveals that the project is viable on BOT basis with a grant of about 30% of estimated project cost.

The work was awarded to M/s. Thakur Infra Projects Pvt. Ltd. for concession period of 23 years and commissioned in March 2014.

I) Skywalk at Kharghar

For the facilities of the pedestrian traffic, transport department has proposed skywalk from Kharghar Nodal side up to Railway Station. This has facilitated pedestrian to cross Sion-Panvel Express Way and other roads through sky walk without hindrance. Special Economic Zone
a) BACKGROUND

Govt. of India introduced the concept of Special Economic Zones (SEZs) in the year 2000 through a revision in the Export-Import Policy 1997-2002. CIDCO accordingly mooted a proposal to set up a SEZ in Navi Mumbai over an area of 4377 Ha. Spread over three nodes of Navi Mumbai viz. Dronagiri, Ulwe, Kalamboli and RPZ. The Ministry of Commerce and Industries, Govt. of India accorded in-principle approval for setting up of Special Economic Zone at Navi Mumbai (05.05.2000) and further accorded formal approval to the NMSEZ project on 15th February 2002. The Govt. of Maharashtra appointed CIDCO as Nodal Agency for development of SEZ in Navi Mumbai (15.09.2000) and directed CIDCO to take up NMSEZ Project under Public- Private participation with provision of majority stake with private partner. (11.09.2002)

b) SELECTION OF STRATEGIC INVESTOR

Accordingly, for selection of strategic investor CIDCO had invited Global Tenders and selected M/s SKIL Led Consortium, to proceed with project. M/s SKIL led Consortium formed company viz. M/s Dronagiri Infrastructure Pvt. Ltd. (M/s DIPL). A Special Purpose Company named M/s Navi Mumbai SEZ Pvt. Ltd. (M/s NMSEZPL) for implementation of Navi Mumbai SEZ Project was incorporated by DIPCL and CIDCO holding 74% and 26% stake respectively.

CIDCO has executed Shareholder Agreement (21.08.2004) with M/s DIPL and the Company and Development Agreement (29.08.2004) with the Company.

c) PROJECT LAND

Navi Mumbai SEZ Project is being developed over an area of 2140 Ha. As provided in the RFP & the Agreements. The project land is spread over 3 nodes of Navi Mumbai.

d) LAND DELIVERY

CIDCO after observing successful achievement of 'Conditions Precedent' by the Company, has handed over 1842 Ha of project land at Dronagiri, Kalamboli and Ulwe. The GoM declared the Company as Special Planning Authority for NMSEZ project land, delivered by CIDCO.

e) DEVELOPMENTAL AND MARKETING MILESTONES AND EXTENSION

The Developmental Agreement envisaged handing over of the land in various phases. However, owing to the contiguity condition expressed in the SEZ Act/Rules additional land was released to the Company to form Multiproduct SEZ at Dronagiri.

As per the agreements, stipulations and GR dated 04.12.2006; the Company was to achieve first Developmental Milestone of developing 450 Ha on or before 26.09.2010.

However, the company for various reasons viz.

1. Non enactment of State SEZ Act;
2. Global Slow down (Recession)
3. Difficulty in attracting investors/unit holders due to non availability of fiscal benefit

sought revision in milestones by linking the same to date of enactment of Maharashtra State SEZ Act. After careful consideration as recommended by HPC/ Cabinet the Govt. has granted extension of 2 years for achieving Developmental and Marketing milestones subject to certain conditions.

The development of the NMSEZ project, however, could not be completed by the Company by the Extended Milestone dates and hence the Company requested grant of extension in Milestones for the 2nd time by letter dated 11th August 2012.

f) COMPANY'S REQUEST FOR II EXTENSION

The Company, in its letter, put forth following reasons for not achieving the Extended Milestones:

- Non Enactment of Maharashtra SEZ Act
- Special Economic Zones – Mired in regulatory and economic flux
- Non-updating of land records of land leased to the Company
- Changes in SEZ Taxation Regime
- Delay in development of major infrastructural projects in the region
- NMSEZ node wise constraints at Dronagiri, Kalamboli and Ulwe

The company further proposed two options for consideration of the HPC/Govt.

i. Readjusting Milestones linking the "Effective date" to

- a. Enactment of Maharashtra SEZ Act
- b. Updation of land records
- c. Resolution of site level issues by CIDCO/ State Govt.

ii. Opening up of land for Domestic market.

g) EXIT ROUTE

Consequent upon the declaration of Maharashtra Industrial Policy in February 2013, the Company approached CIDCO and expressed their desire to take benefit of the new policy, which provides Exit Route for non-operating SEZs in Maharashtra and get the SEZ denotified and convert it into 'Integrated Industrial Area (IIA)' as per the Policy provision. GoM was requested for necessary directives in the matter. Decision of the GoM is awaited.

DEVELOPMENT OF TRANSPORT INFRASTRUCTURE

The important projects under this head are given below :-

I) Development of water transport terminal :-

For planning and implementation of Inland water transport (IWT) on the East coast of Mumbai the Government of Maharashtra (GoM) appointed Maharashtra Maritime Board (MMB) as nodal agency to develop infrastructure facility at Ferry Warf (Mumbai), Nerul (Navi Mumbai) and Mandwa (Alibaug) by MbPT, CIDCO and MMB with additional responsibility of operation and maintenance of terminal respectively. MMB shall operate the ferry services.

CIDCO has taken up the work of, "Development of Infrastructure Facility for Passenger Water Transport Terminal at Nerul, Navi Mumbai". The estimated cost of the passenger water transport project is Rs. 130.56 Crores. The terminal is proposed on a piled platform in Panvel creek which includes approach road, approach jetty, turning platform, floating pontoon and link span, 6 nos. of berthing dolphins, utilities (electrical panel room, water tank, STP, etc.), Navigation areas and Marshalling areas earmarked on the piled platform. The terminal at Nerul will help to accelerate growth of Navi Mumbai by providing interconnections with Mumbai & Alibaug and will facilitate direct ferry service between Navi Mumbai and Mumbai, thereby reducing the load on existing sub-urban railways and roadways and travel time by half an hour.

The construction of Aamra Marg including PCB and widening of SH-54 is done as Package – II of Port Connectivity Project and the same is costing Rs. 127 crores. The Board of Directors of CIDCO have approved the financial participation for a maximum amount of Rs. 20 Crores which includes Rs. 9 Crores of equity and Rs. 9.1 Crores as subordinated loan. Equity payment of Rs. 9 Crore was made by CIDCO in the financial year 2005-06. The construction of Aamra Marg including PCB is completed. The widening of SH54 is also completed for the stretches where land is acquired. In the remaining stretches, work will be started after land acquisition. The land acquisition for widening of SH54 is in progress.

Connectivity to NMIA: Widening of SH54, NH4B, Aamra Marg & Construction of interchanges: -

The Project consists of 4 roads NH4B, Part of NH4, SH54 and Aamra Marg. The project roads connect Jawaharlal Nehru Port and are present on boundaries of proposed Navi Mumbai International Airport. The roads have been planned for widening to 6/8 lane configuration by Mumbai JNPT Port Road Company Ltd. (MJPRCL), a SPV of National Highways Authority of India (NHAI, JNPT & CIDCO). The project is to be executed in 4 packages on EPC basis by MJPRCL.

III) Development of Inter State Bus Terminal (ISBT) at Kamothe:-

The development of bus terminal is proposed as part of the upcoming PMAY housing scheme. the planning for the same is under process.

IV) Kharghar Belapur Nerul Link Road

Navi Mumbai International Airport, International Corporate Park Kharghar, and Navi Mumbai Aerocity are major upcoming developments in Navi Mumbai region. These developments are expected to boost economic development and thus generate as well as attract basic and non-basic employment in the region. With the development of these smart city model projects, Navi Mumbai is expected to become one of the most important sub regions of Mumbai Metropolitan Region (MMR). All this projects/developments are surrounded by nodal development and mobility of this region are primarily depend on road and rail transport infrastructure. In this context, it is essential to provide an integrated and seamless transportation Connectivity which will connect the region to rest of MMR.

In this regard, it is proposed to construct a Link road from Seawoods (NRI Complex/DPS junction) to Kharghar (Jal marg). This road has become necessity owing to increase in intracity traffic of Navi Mumbai. Currently, the entire traffic from Kharghar, Taloja, Kalamboli and Kamothe has to access Sion Panvel Express Highway and exit at CBD Belapur/Nerul /Turbhe or Vashi junction to access to different nodes of Navi Mumbai. Sion Panvel Express Highway despite being widened recently to 10 lanes, still is crowded and traffic jams are observed at Kopra, Kharghar, Belapur, Nerul, Turbhe and Vashi Junctions during morning and evening peak hours. The Navi Mumbai Traffic (Intracity) primarily light vehicle traffic has to depend upon Sion Panvel Express Highway for travelling between nodes. Sion Panvel Express Highway has a character of National Highway with huge volumes of heavy traffic (trucks/containers/trailors). This interaction between light intracity traffic and Highway traffic is a mis match of not only modes but also of speed and volumes, very often resulting into accidents besides regular bottlenecks and delays.

Palm Beach Marg is an excellent example of dedicated intra city arterial catering to light traffic. However, Palm Beach Marg extends only from Vashi to Belapur and the intra city traffic has to lean back on Sion Panvel Highway for travel beyond Belapur.

There has been phenomenal growth in sectors of Kharghar, Taloja and beyond resulting in quite heavy traffic.

Hence, considering the above factors of nodal development, traffic growth, capacity limitation of Sion Panvel Express Highway and safety of city commuters, it is felt necessary to extend Palm Beach Marg from NRI junction along Coast to Kharghar (Jal Marg). This link will provide a local intra city traffic a safe alternative to Sion Panvel Express Highway as well as help in segregating local and long distance traffic. Besides this will also help to provide another to and fro entry and exit at Kharghar, Belapur reducing the traffic congestion on adjacent road.

The proposed network shall satisfy future transport demand and connect all these developments with each other.

NMIA-MTHL LINK ROAD The upcoming greenfield Navi Mumbai International Airport (NMIA) is under development and soon it will see the commercial operations. One of the major demand of air passengers is from the mainland of Mumbai and as the Mumbai trans Harbour Link (MTHL) is under development to connect Mumbai Mainland to Navi Mumbai and NMIA via MTHL-NMIA link road. The MTHL-NMIA link road is a six lane divided road connecting MTHL at Shivajinagar Interchange running along the Ulwe node on west side. The length of coastal road is 5.8 Km. A 1.2 Km Airport connectivity link is planned from the MTHL-NMIA link road to NMIA crossing above the Nerul Uran Railway Line in the forecourt area of Targhar Railway Station. The project is planned with one major bridge of 1.7 Km length in creek and 2 flyovers for nodal connectivity, further the road is planned to connect to Jawaharlal Nehru Port to the south.

The MHTL-NMIA link road will be a boon for future transit network. It will ease traffic snarls on Sion Panvel Highway as well as the palm beach road of Navi Mumbai and will give direct connectivity to south Mumbai from South and central Navi Mumbai. It will enhance the transit services of various interconnecting nodes in future. The cost of the MHTL-NMIA link road project is Rs. 681 Cr. The work is awarded by CIDCO and the project is scheduled to be completed within 36 months.

Mumbai JNPT PORT & Airport ROAD CONNECTIVITY PROJECT BY MJPRCL

The project is being implemented by MJPRCL. MJPRCL is SPV formed by NHAI, JNPT and CIDCO for widening of roads connecting to JNPT port viz. Aamra Marg, SH-54 (part), NH-4B. Phase 1 was completed in 2008. The total project cost was 354 cr. MoU was signed between CIDCO, JNPT & NHAI on behalf of GoI and GoM on 11th of Sep 2003. The Board of Directors of CIDCO have approved the financial participation for a maximum amount of Rs. 20 Crores which includes Rs. 9 Crores of equity (6.05%) and Rs. 9.1 Crores as subordinated loan. Equity payment of Rs. 9 Crore was made by CIDCO in the financial year 2005-06.

Further, augmentation of capacity of these roads was proposed in Phase II of the project. The Phase-II work which is currently under execution is taken up as four packages and is consist of Widening to 8 lanes of NH-4B and Aamra Marg (On Periphery of NMIA), Widening to 6 laning of NH-4B (from Gavhan Phata to JNPT) and SH-54 (From Gavhan Phata to JNPT), Construction of Gavhan Interchange (at Gavhan Phata/ Teen Taaki) and Construction of Karal Phata Interchange. Till date the cost incurred for the phase-II project is 3405 Cr approximately. CIDCO has not contributed in terms of equity for the Phase II development. The project is under the verge of completion.

NMIA Interchanges & Seamless Road Connectivity

Construction of West and East interchanges for NMIA (VUP) is proposed to take up in the Package V matching the time lines of the Airport along with nearby junction improvements including Kille Junction, Kalamboli junction, South road Interchange/flyover for Aero City and other seamless connectivity projects on the National Highways around Navi Mumbai for the roads under MJPRCL (Aamra Marg, NH-4B & SH-54).

Explanation :- We are not preparing project wise Balance Sheet. Hence, it is shown in the Balance Sheet of the Company. In the subsequent years, the adjustments are made by debiting or crediting the particular project account.

- 8.16 Claim recoverable from contractors have been included in other receivables under other current assets.

Explanation :- We are not preparing project wise Balance Sheet. Hence, it is shown in the Balance Sheet of the Company. In the subsequent years, the adjustments are made by debiting or crediting the particular project account.

- 8.17 As reported by auditor of Aurangabad, Walunj & Jalna Unit, it was observed that the said unit has changed its method of accounting from Profit & Loss Account to Project Account from Financial Year 2012-2013 onwards without arriving at opening balance of Project Account since inception. Management is unable to quantify the impact of the above. In view of the above, we are unable to quantify the impact if any on the standalone financial statements for the year ended on 31st March, 2018.

Further, all the immovable fixed assets have been transferred to Project Account along with depreciation fund. However, disclosure with regards to the effect on profit/excess of receipt over expenditure has not been given for the future period.

Explanation :- The Opening Balance of Aurangabad Project Account as on 01/04/2012 is the cumulative balance of accumulated surplus/deficit as on 31/03/2012, considered while preparing the project account for the F.Y. 2012-13.

- 8.18 As reported by auditor of Aurangabad, Walunj & Jalna Unit, it was observed that the said unit has followed mixed system of accounting i.e. some incomes & expenses are accounted on cash basis and some on accrual basis which is not in conformity Accounting Standard 9 'Revenue Recognition'. Management is unable to quantify the impact of the above. In view of the above, we are unable to quantify the impact if any on the standalone financial statements for the year ended on 31st March, 2018.

Explanation :- The Corporation has continued the policy of accounting on cash basis as against accrual basis as required by amended section 128(1) of the Companies Act, 2013 in respect of the following:

- Interest on delayed payment of installments / premium payable by allottees, except on loans given against sale of tenements, shops and other structures, service charges due from apartments at Navi Mumbai, New Towns and Water Charges Recoverable at Navi Mumbai.
- Lease rent / premium from plot-holders.
- Interest on loans granted to employees under various schemes.
- Additional Lease Premium, Service Charges and Penal Charges recoverable from Plot-holders under the Maharashtra Regional Town Planning Act against non-development of Plot within the stipulated period of 3 years from the date of allotment.

- 8.19 As reported by auditor of Aurangabad, Walunj & Jalna Unit, no land valuation is being done for insignificant part (241 Ha.) out of total notified area (10,233 Ha.) acquired in earlier years.
Explanation :- Observation is noted.
- 8.20 As reported by auditor of Aurangabad, Walunj & Jalna Unit, in case of the plot holders who had not submitted for completion of construction within prescribed time period i.e. six years from the date of allotment, the Corporation has levied additional lease premium on the plot holders till the date of submission for completion of construction. However, in the absence of agewise analysis, we are unable to comment on the doubtful debt, if any. Further, during the financial year 2017-2018, no provision for additional lease premium was made in the books of accounts.
Explanation :- Observation is noted.
- 8.21 As reported by auditor of Aurangabad, Walunj & Jalna Unit, after completion of project, Corporation should have transferred the ownership of asset to the principal i.e. Government of Maharashtra since it is merely acting as an agent. However, it is observed that leasehold rights of the lessor still vest with the Corporation and has not been transferred to the lessee as a freehold property or to the principal i.e. Government of Maharashtra.
 The unit of Corporation has followed the system of sale of plot/land by the tender system with the intention of earning profit over and above the cost of acquisition, development and administration cost which seems to be improper since the Corporation is merely acting as an agent of Government of Maharashtra and not with the motive of earning profits.
Explanation :- Observation is noted.
- 8.22 As reported by auditor of Nanded Unit, in the absence of proper records of property let out and rent agreement, correctness of provision of rent could not be ascertained in case of Rent from MSEB.
Explanation :- Though the rent agreements are not available with Accounts Department, the accountability of rent is properly done. Hence, compliance may please be accepted.
- 8.23 During the period 01.07.2017 to 31.12.2017, in most of the cases, the Company has neither collected nor paid GST on receipts to which Goods & Service Tax (GST) is applicable. No GST id provided on such receipts. The reconciliation of turnover, output tax with GST returns and reconciliation of input tax credit with GSTR-2A is under process. The effect of reconciliation, if any, will be provided as and when ascertained.
Explanation :- In respect of the details of discharge of GST liability, it is pertinent to note that as per GSTR 3B filed for the period July, 17 to March 18, CIDCO has paid total GST of Rs. 1,17,89,58,802/- on the taxable turnover of Rs. 6,57,43,03,029/-.
 As pointed out by the Statutory Auditor re. non recovery of GST on the majority of the receipts during the period July 17 to December 17, following points need to be taken into consideration:
1. CIDCO finds the roots of its' incorporation to a Government Resolution bearing IDL/5770-IND-I dated 18.03.1970. Accordingly, CIDCO was incorporated as an agent of the State Government of Maharashtra. & was also notified as the New Town Planning & Development Authority entrusted with job of development of Navi Mumbai by the State of Maharashtra under section 113(3A) of the Maharashtra Regional Town Planning ("MRTP") Act, 1966.
 2. Further, vide entry no. 4 of exemption notification Notification No.12/2017-CT(Rate), dated 28.06.2017, w.e.f. 01.07.2017 as amended by Notification No. 32/2017-CT (Rate), dated 13.10.2017 and further notifications issued from time to time exempts Services by Central Government, State Government, Union territory, local authority or governmental authority by way of any activity in relation to any function entrusted to a municipality under article 243 W of the Constitution.
 3. In view of stated facts in Para 1 & 2, CIDCO, being Governmental Authority, receipts which are by way of any activity in relation to any function entrusted to a municipality under article 243 W of the Constitution, are exempted from tax.
 4. In respect of the receipts on which GST is not recovered, it is to be noted that majority of the receipts are from Estate section collected towards Transfer charges, Additional Lease Premium & other receipts wherein taxability mainly depends on the nature of receipts i.e. whether these receipts are in relation to any function entrusted to a municipality under article 243 W of the Constitution or not.
 5. After deliberation with concerned functional department & considering Revenue Authority's stand on the ambiguous matters, CIDCO has subsequently started recovering GST on these receipts.

Further, all the immovable fixed assets have been transferred to Project Account along with depreciation fund. However, disclosure with regards to the effect on profit/excess of receipt over expenditure has not been given for the future period.

- 8.18 As reported by auditor of Aurangabad, Walunj & Jalna Unit, it was observed that the said unit has followed mixed system of accounting i.e. some incomes & expenses are accounted on cash basis and some on accrual basis which is not in conformity Accounting Standard 9 'Revenue Recognition'. Management is unable to quantify the impact of the above. In view of the above, we are unable to quantify the impact if any on the standalone financial statements for the year ended on 31st March, 2018.
- 8.19 As reported by auditor of Aurangabad, Walunj & Jalna Unit, No land valuation is being done for insignificant part (241 Ha.) out of total notified area (10,233 Ha.) acquired in earlier years.
- 8.20 As reported by auditor of Aurangabad, Walunj & Jalna Unit, in case of the plot holders who had not submitted for completion of construction within prescribed time period i.e. six years from the date of allotment, the Corporation has levied additional lease premium on the plot holders till the date of submission for completion of construction. However, in the absence of agewise analysis, we are unable to comment on the doubtful debt, if any. Further, during the financial year 2017-2018, no provision for additional lease premium was made in the books of accounts.
- 8.21 As reported by auditor of Aurangabad, Walunj & Jalna Unit, after completion of project, Corporation should have transferred the ownership of asset to the principal i.e. Government of Maharashtra since it is merely acting as an agent. However, it is observed that leasehold rights of the lessor still vest with the Corporation and has not been transferred to the lessee as a freehold property or to the principal i.e. Government of Maharashtra.
- The unit of Corporation has followed the system of sale of plot/land by the tender system with the intention of earning profit over and above the cost of acquisition, development and administration cost which seems to be improper since the Corporation is merely acting as an agent of Government of Maharashtra and not with the motive of earning profits.
- 8.22 As reported by auditor of Nanded Unit, in the absence of proper records of property let out and rent agreement, correctness of provision of rent could not be ascertained in case of Rent from MSEB.
- 8.23 During the period 01.07.2017 to 31.12.2017, in most of the cases, the Company has neither collected nor paid GST on receipts to which Goods & Service Tax (GST) is applicable. No GST is provided on such receipts. The reconciliation of turnover, output tax with GST returns and reconciliation of input tax credit with GSTR-2A is under process. The effect of reconciliation, if any, will be provided as and when ascertained.

8. Borrowing Costs :

Borrowing costs attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

9. Earnings Per Share :

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The Weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

10. Taxation :

Provision for current tax is made and retained in the accounts on the basis of estimated tax liability as per applicable provisions of the Income Tax Act, 1961 and considering assessment orders and decision of appellate authorities.

11. Impairment of Assets :

The company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the company estimates the recoverable amount of asset. If such recoverable amount of asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the reassessed value.

12. Contingent Liabilities :

A contingent liabilities is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

13. Provisions :

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. If it is no longer probable that outflow of resources would be required to settle the obligation, the provision is reversed.

14. Amount of rent recoverable from School Buildings leased to Zilla Parishads is computed at 7.5% on the capital cost as certified by the Public Works Department and in the absence of such certificate, on capital cost as per books or at specific rate approved by the Management.
15. Contractors' / suppliers' bills are accounted for on the receipts thereof till the cutoff date i. e. 30th June of subsequent year.

19. The Corporation's income was exempt from payment of Income Tax pursuant to the provisions of Section 10(20A) of the Income Tax Act, 1961. This Section has been withdrawn by the Finance Act, 2002, thereby subjecting the income of the Corporation to be taxed under the provisions of the Income Tax Act.

The ITAT, Mumbai Bench 'C' vide order in ITA No. 2985/M/2012 dated 08/08/2012 for the Assessment Year 2006-07 and The ITAT, Mumbai vide order in ITA No. 4378,4379 & 4383/Mum/2013 dated 18/12/2014 for the Assessment Year 2003-04, 2004-05 & 2005-06 have held that the Corporation being an agent of the Government of Maharashtra under the provision of section 113 (3A) and section 40 (1) (b) read with section 113 (3A) of the Maharashtra Regional and Town Planning Act 1966 is liable to Income Tax only in respect of Agency Remuneration received from the Government of Maharashtra after deduction of expenses incurred for the purpose of earning such income.

The ITAT further held that:

1. There is no business activity of Corporation on its own.
2. All expenses incurred by the Corporation whether capital or revenue, are on behalf of the Government of Maharashtra.

Honorable Bombay High Court in writ petition No. 1211 of 2009 in the case of Percival Joseph Pareira v/s The Special Land Acquisition Officer and others held that Corporation is an agent of the Government of the Maharashtra.

In view of this, provision for Income Tax for the Current Year has been made in respect of Agency Remuneration credited to Corporation's Statement of Profit & Loss. No provision for Income Tax for the year has been made on the surplus in New Towns and Navi Mumbai Project Account as the Corporation is merely acting as an agent of the Government of Maharashtra. The entire receipts have been credited to the Project Account as recovery of cost and are not treated as revenue in the Books of Accounts of the Corporation.

20. Regarding Method of Accounting:

- a) City & Industrial Development Corporation of Maharashtra Limited (CIDCO) was incorporated on 17th March 1970. The Government of Maharashtra vide Government Resolution (GR) No.IDL 5770/IND-I dated 18th March, 1970 entrusted CIDCO to act as an agent of Government of Maharashtra for development of Trans -Thana and Trans-Harbour areas in Uran, Panvel and Thane Tehsil with a view to secure the objective of decongesting industries and other concentrations in Bombay and with a view generally to resolve the problems of urban congestion in Bombay City.
- b) The Government of Maharashtra vide Government Resolution (GR) No. CID -2072-U dated 24th January, 1972 issued financing instructions for operation of CIDCO. As per the instructions in the GR, CIDCO should undertake all the development work, provide social and physical infrastructure to attain the objectives laid down in (GR) No.IDL 5770/IND-I dated 18th March, 1970 on behalf of the Government. CIDCO was given power to dispose of the land acquired by the Government and to incur expenditures on development work out of sale proceeds of land. The proceeds which are to be recovered from sale of land acquired by the Government are payable to the Government after adjusting development expenditures, administrative expenditures and agency remuneration restricted to Rs. 5,00,000/- per year.
- c) CIDCO was appointed as Special Town Planning Authority/Development Authority for the new towns of New Aurangabad, New Nasik, New Nanded etc by the Government of Maharashtra in exercise of powers conferred by clause (b) of sub-section (1) of section 40 of the Maharashtra Regional and Town Planning Act, 1966. As per provisions of section 113 (3A) of the Maharashtra Regional and Town Planning Act, 1966, the Special Town Planning Authority has to work as an agent of the State Government.

- d) It is observed that there is no difference in the status of CIDCO being the 'Agent of Government of Maharashtra' either in Navi Mumbai or New Towns of Aurangabad, Nashik, Nanded, Vasai-Virar and other New Towns Projects. Further, it is also observed that where CIDCO is a New Town Development Authority for Navi Mumbai or Special Town Planning Authority for New Towns of Aurangabad, Nashik, Nanded etc., it makes no difference in the status of CIDCO as the agent of Government of Maharashtra and CIDCO is the agent of Government of Maharashtra for Navi Mumbai and all other New Towns and accordingly, the surplus / deficit in the Project Account, belongs to Government of Maharashtra.
- 21 The Company being an agent of the Government of Maharashtra has only Agency Remuneration as income and accordingly, there are no reportable segment as per AS-17 Segment Reporting.
- 22 **Details of dues to Micro and Small Enterprises as defined under the MSMED Act, 2006**
- The Company has not Received any information from it's vendors regarding their status under the Micro, small & medium enterprises & development act, 2006 and hence disclosure if any, required under the said act has not been made.
- 23 Previous year figures are regrouped and rearranged whenever considered necessary.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF CITY AND INDUSTRIAL DEVELOPMENT CORPORATION OF MAHARASHTRA LIMITED, MUMBAI FOR THE YEAR ENDED 31 MARCH 2018.

The preparation of financial statements of **City and Industrial Development Corporation of Maharashtra Limited** for the year ended **31 March 2018** in accordance with the financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the company. The statutory auditors appointed by the Comptroller and Auditor General of India under section 139(5) of the Act, are responsible for expressing opinion on the financial statements under section 143 of the Act, based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their audit report dated **26 September 2020**.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit under section 143(6)(a) of the Act of the financial statements of **City and Industrial Development Corporation of Maharashtra Limited** for the year ended **31 March 2018**. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records. Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) of the Act, which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report.

A) COMMENTS ON FINANCIAL POSITION

Balance sheet

Equity and liabilities

Non-current liabilities

Other Long Term Liabilities (Note 5) ₹ 11466.33 crore

1. This includes ₹ 5995.58 crore being accumulated surplus amount due to the Govt of Maharashtra which were generated under various projects during 2010-11 to 2017-18 viz. i) Navi Mumbai Project, ii) Oros Project, iii) Vasai-Virar Project, iv) Vasai-Virar Project New, v) Tarapur Project, vi) Aurangabad Mhaismal Project, vii) Nashik Project, and viii) NAINA Project.

As per Note 20 (d) of Notes forming part of Accounts, the CIDCO acts as an agent of Govt. of Maharashtra and the surplus / deficit in the project account, belongs to Govt. of Maharashtra. However, CIDCO has not remitted the net accumulated surplus amount into Govt. Account and parked the fund out of Govt. Account i.e. in Current Accounts / Fixed deposits. Thus, retaining of surplus amount which is due to the Government and that too out of Government account is not in order. This has resulted in overstatement of Noncurrent liabilities and current assets by ₹ 5995.58 crore.

Current Liabilities

Other current liabilities (Note 6) ₹ 765.93 crore

Payables ₹ 281.01 crore

2 (A) As per item no.15 of Note-1 “Principal Accounting Policies and Disclosure” of Audited Annual Accounts, Contractors’/suppliers’ bills are accounted for on the receipts thereof till the cut-off date i.e. 30th June of subsequent year. Also the cut-off date of 30 June of subsequent year holds good only when the accounts are current. In the instant cases the accounts are in arrears. Accounts of 2017-18 have been finalized only in September 2020.

However, provision for current liability was not made in the current year for an amount of ₹ 36.79 crore (₹ 19.52 crore pertaining to bills submitted before the cutoff date + ₹ 17.27 crore pertaining to bills submitted before the finalization of accounts) being amount payable to various contractors/parties who had submitted their bills much before the finalization of accounts. This has resulted in understatement of other current liabilities by ₹ 36.79 crore and overstatement of Navi Mumbai Project Account to that extent.

(B) This does not include ₹ 31.88 crore being amount payable as per GoM order dated 19.05.2016 and 27.04.2018 due to inappropriate collection of Off-site City Service Delivery Charges (OCSDC) by CIDCO from four parties up to 7.01.2016 in Capacity of Special Planning Authority for Navi Mumbai Airport Influence Notified Area (NAINA). The CIDCO refunded the OCSDC amounting to ₹ 28.37 crore to three parties in June 2018, which should have been provided for.

Non provision resulted in understatement of current liabilities by ₹ 31.88 crore and

overstatement of surplus under NAINA Project Account (Note 5(8)) to that extent.

Currents Assets.

Other Current Assets (Note no. 14) : ₹ 976.34 crore

Other Receivables : ₹ 857.48 crore

3. This does not include ₹ 3.85 crore being amount receivable from M/s. Vashi Railway Station Commercial Complex Ltd. (VRSCCL) and M/s. Belapur Railway Station Commercial Complex Ltd. (BRSCCL) towards rent collected by them from the private telecom service providers for installation of equipment, antennas etc in company's premises. The rent was due to the Company from the private telecom service providers which was collected by M/s. VRSCCL and M/s. BRSCCL without seeking permission from the Company and not remitted to the Company. The Company had not accounted the amount received by M/s. VRSCCL and M/s. BRSCCL from the private telecom service providers which was actually the rental income of the Company. This has resulted in understatement of Current Assets and Navi Mumbai Project Account by ₹ 3.85 crore. This matter was also brought to the notice of the Management through Audit Comments of C&AG for the year 2016-17. No action has, however, been taken by the Company on this.

B) OTHER COMMENTS

4. The Company consistently follows the practice of accounting for its receipts and expenditure on various projects in individual project accounts and the net surplus/deficit is shown under Long Term Liabilities without any effect on the Profit and Loss Account of the Company.

This accounting practice is in violation of the accounting conventions and policies laid down by the Companies Act, 2013.

This matter was also brought to the notice of the Management through comment of Comptroller and Auditor General of India for the year 2015-16 & 2016-17. However, no action has been taken by the Company on this.

5. As per Sr.No.2 under Note 5(1) representing Navi Mumbai Project Account, a land admeasuring 20,405.77 Ha has been handed over by the GoM to the Corporation for the purpose of developing Navi Mumbai Project including 5289.40 Ha of

Government land. However, the fact regarding unauthorized construction/ encroachment of land/area admeasuring 33.38 Ha has not been disclosed by way of Notes to accounts for the year 2017-18.

Note 5(1): Navi Mumbai Project Account

Expenditure	₹ 2194.67 crore
Receipts Written Back	₹ 93.53 crore

6. The CIDCO refunded (29.06.2017) lease premium amounting to ₹ 100.01 crore due to cancellation of allotted plot. However an amount of ₹ 6.48 crore has been netted against Deposit / Liability written back which had no connection with this transaction.

This has resulted in understatement of expenditure and receipt of Navi Mumbai Project Accounts by ₹ 6.48 crore.

Sir/Madam,

The Supplementary Audit of Financial Statements of City and Industrial Development Corporation of Maharashtra Limited, Mumbai for the year 2017-18 under section 143(6)(a) of the Companies Act, 2013 was undertaken recently by this office. During the course of audit, issues which were not included in the comments of C&AG but which require action on the part of Management are given below:-

Equity and liabilitiesNon-Current Liabilities

Other Long term Liabilities (Note No. 5)

₹ 11466.33 crore

Navi Mumbai Project Account (Note 5 (1))

₹ 5492.89 crore

Receipts During the year

Supervision Charges (Receipts side) Item No. 12

₹ 1.25 crore

Md's. @
 Belapur Office
 INW. No.: 4874
 Date: 12/01/21

1. The Company besides being an agent for the Government of Maharashtra (GOM) for development of Navi Mumbai Township and other entrusted works in the State also undertakes works on deposit basis for Central/State Government Department/PSUs/Autonomous bodies, and acts as project Management Consultant. The Company charges/recovers supervision charges on percentage basis on the cost of the project. During the Year 2017-18 the Company received supervision charges on deposit work amounting to ₹1.25 crore and the supervision charges received upto March 2017 for the same were ₹11.58 crore. The Company accounted for these supervision charges in the Navi Mumbai Project A/c. Since the supervision charges received is the income of the Company

and has no connection with the Navi Mumbai Project, the supervision charges should have been accounted as Income of the Company in the statement of Profit & Loss. This has resulted in understatement of Income and profit for the years by ₹1.25 crore and overstatement of Liabilities (balance under Navi Mumbai Project A/c payable to GOM) to the extent of ₹ 12.83 crore.

This matter was also brought to the notice of the Management through Audit Comments of C&AG for the year 2014-15, 2015-16 & 2016-17. No action has, however, been taken by the Company on this.

Navi Mumbai Project Overheads – Note 5(1) (A)

Payment to and provision for Employees : ₹ 176.23 crore

Administrative and Other Expenses : ₹ 118.38 crore

2. This includes expenses relating to VC&MD's remuneration, salary and perks of Company Secretary totalling ₹0.50 crore and ₹0.19 crore payable to Statutory Auditors as audit fees which have been charged to the Navi Mumbai Project Account as expenditure. Since these expenses are administrative in nature and some of them also of a statutory nature for the Company as a whole, these should have been charged to the Statement of P&L. This has resulted in understatement of expenses and overstatement of profit for the year and corresponding understatement of liability by ₹ 0.69 crore.

This matter was also brought to the notice of the Management through Audit Comments of C&AG for the year 2014-15, 2015-16 & 2016-17. No action has, however, been taken by the Company on this.

Assets.

Non-Current Investments – (Note-9) ₹ 217.39 crore

Investment in Equity instruments

Item No. 6 (M/s Mahatourism Corporation Limited) ₹ 2.55 Lakh

3. The CIDCO had made investment (01.01.2010) of ₹ 2.55 Lakh (2550 equity shares of ₹ 100 each) in M/s Mahatourism Corporation Limited (MTC). However, the financial statement of MTC for the year 2016-17 indicates that the MTC has accumulated losses and its net worth has been fully/ substantially eroded. The MTC's current liabilities exceeds it

current assets as at the balance sheet date. Further, resolution for winding up of MTC has been passed (30.06.2016) in the meeting of Board of Director.

However, this fact has not been disclosed in notes to Accounts of CIDCO for the year 2017-18.

Non-Current Investments – (Note-9)

₹ 217.39 crore

Investment in Equity Instruments

Item. 5 : M/s Belapur Railway Station Commercial Complex Limited ₹ 4.00 lakh

Item No. 6 : M/s Mahatourism Corporation Limited ₹ 2.55 Lakh

4. OTHER COMMENTS

5. On review of Journal vouchers(JVs) pertains to Store, Panvel Kalamboli section & Nerul Belapur sections, it was noticed that JVs have not been initiated / signed by the competent authority. Further, in few instances the JVs were signed by the Accountant only.

This was also pointed out during the supplementary audit of 2014-15. However, no corrective action has been taken by the Company. Therefore, the authenticity of JVs passed could not be ascertained in Audit.

6. Following procedures prescribed in Finance Department Resolution (27.10.2015) for securing the invested funds were not observed by CIDCO.

(a) The verification of the original certificates of the funds invested in banks or other financial institutions was to be physically carried out by Chief Accounting Officer and Finance Officer themselves or by an officer one grade lower by making a visit to the bank/institution. However, the same was not carried out during 2017-18.

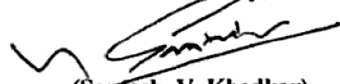

(b) Verification of the invested funds and balance confirmation was not carried out every two to three months by personally visiting the bank / financial institution in person.

(c) A quarterly report regarding the total fund invested in bank or other institutions and the interest received thereon was to be submitted to the administration department. However, no such report was shown to audit.

(d) Written instructions were to be issued to banks / other financial institutions that no overdraft /cash credit facility should be extended in any case unless the CIDCO is contacted in person and written confirmation is obtained. However, no such instructions issued were shown to audit.

Management may take necessary action regarding the same.

Yours faithfully,

(Santosh V. Khedkar)
Deputy Accountant General/AMG-II

CORRIGENDUM

ANNEXURE - II (A)

EXPLANATION TO THE COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE ACCOUNTS OF CORPORATION FOR THE YEAR ENDED 31ST MARCH, 2018.

I. Comments on Financial Position.**Balance Sheet.****Equity and Liabilities****Noncurrent liabilities****Other Long Term Liabilities (Note 5) Rs. 11466.33 crore**

1. This includes Rs.5995.58 crore being accumulated surplus amount due to the Govt of Maharashtra which were generated under various projects during 2010-11 to 2017-18 viz. i) Navi Mumbai Project, ii) Oros Project, iii) Vasai-Virar Project, iv) Vasai-Virar Project New, v) Tarapur Project, vi) Aurangabad Mhaismal Project, vii) Nashik Project, and viii) NAINA Project.

As per Note 20 (d) of Notes forming part of Accounts, the CIDCO acts as an agent of Govt. of Maharashtra and the surplus / deficit in the project account, belongs to Govt. of Maharashtra. However, CIDCO has not remitted the net accumulated surplus amount into Govt. Account and parked the fund out of Govt. Account i.e. in Current Accounts / Fixed deposits. Thus, retaining of surplus amount which is due to the Government and that too out of Government account is not in order. This has resulted in overstatement of Noncurrent liabilities and current assets by Rs. 5995.58 crore.

Reply:

As per G.A.D. Resolution No. CID-2072-U dtd 24th Jan 1972, the Corporation is expected to incur expenditure on Development works, rehabilitation, providing social and physical infrastructure and after adjusting commission, reminder to be remitted to the Government. The Government was supposed to incur expenditure on Land Acquisition and compensation thereof.

Further, as per the revised orders issued by the Government vide G.R. No. CID-3407/UD-10 dtd.12th February 2008, the enhanced land compensation is to be paid by the Corporation and the said order will be effective from 1st April 2008 onwards. Hence, the total expenditure including acquisition is now borne by the Corporation.

However, since the Navi Mumbai Project's Development is still going on and as and when a particular area is developed and handed over to the Local body the surplus, if any, is transferred as per the instruction given by the Government from time to time.

As CIDCO is acting as an Agent of the Government of Maharashtra and new projects are undertaken the excess of income over expenditure is used for the development of various projects as per the approvals of Competent Authorities. If such amount is transferred it will not be possible to carry out the project works and development of the cities as per the mandate given by the Government. Further, CIDCO do not get any annual grants from Government to carry out the expenditure on projects.

Other current liabilities (Note 6) Rs. 765.93 crore**Payables****Rs. 281.01 crore**

2. Currents Assets.

The rent was due to the Company from the private telecom service providers which was collected by M/s. VRSCCL and M/s. BRSCCL without seeking permission from the Company and not remitted to the Company. The Company had not accounted the amount received by M/s. VRSCCL and M/s. BRSCCL from the private telecom service providers which was actually the rental income of the Company. This has resulted in understatement of Current Assets and Navi Mumbai Project Account by Rs 3.85 crore. This matter was also brought to the notice of the Management through Audit Comments of C&AG for the year 2016-17. No action has, however, been taken by the Company on this.

B) OTHER COMMENTS

4. The Company consistently follows the practice of accounting for its receipts and expenditure on various projects in individual project accounts and the net surplus/deficit is shown under Long Term Liabilities without any effect on the Profit and Loss Account of the Company.

This accounting practice is in violation of the accounting conventions and policies laid down by the Companies Act, 2013.

This matter was also brought to the notice of the Management through comment of Comptroller and Auditor General of India for the year 2015-16 & 2016-17. However, no action has been taken by the Company on this.

CIDCO is appointed as an 'Agent of the Government of Maharashtra' for development of Navi Mumbai under section 113(3A) of the Maharashtra Regional and Town Planning Act, 1966 ('the MRTP Act') and for development of other New Towns under section 40(1)(b) of the MRTP Act. CIDCO receives mandate from Government of Maharashtra to develop particular region by way issuance of Government Resolutions & Notifications.

Accordingly, Note No. 20 of the Financials 2017-18 states that:

- a) City & Industrial Development Corporation of Maharashtra Limited (CIDCO) was incorporated on 17th March 1970. The Government of Maharashtra vide Government Resolution (GR) No.IDL 5770/IND-I dated 18th March, 1970 entrusted CIDCO to act as an agent of Government of Maharashtra for development of Trans -Thana and Trans-Harbour areas in Uran, Panvel and Thane Tehsil with a view to secure the objective of decongesting industries and other concentrations in Bombay and with a view generally to resolve the problems of urban congestion in Bombay City.
- b) The Government of Maharashtra vide Government Resolution (GR) No. CID -2072-U dated 24th January, 1972 issued financing instructions for operation of CIDCO. As per the instructions in the GR, CIDCO should undertake all the development work, provide social and physical infrastructure to attain the objectives laid down in (GR) No.IDL 5770/IND-I dated 18th March, 1970 on behalf of the Government. CIDCO was given power to dispose of the land acquired by the Government

and to incur expenditures on development work out of sale proceeds of land. The proceeds which are to be recovered from sale of land acquired by the Government are payable to the Government after adjusting development expenditures, administrative expenditures and agency remuneration restricted to Rs. 5,00,000/- per year.

- c) CIDCO was appointed as Special Town Planning Authority/Development Authority for the new towns of New Aurangabad, New Nasik, New Nanded etc by the Government of Maharashtra in exercise of powers conferred by clause (b) of sub-section (1) of section 40 of the Maharashtra Regional and Town Planning Act, 1966. As per provisions of section 113 (3A) of the Maharashtra Regional and Town Planning Act, 1966, the Special Town Planning Authority has to work as an agent of the State Government.
- d) The C&AG appointed Statutory Auditors have observed that there is no difference in the status of CIDCO being the 'Agent of Government of Maharashtra' either in Navi Mumbai or New Towns of Aurangabad, Nashik, Nanded, Vasai-Virar and other New Towns Projects. The C&AG appointed Statutory Auditors have observed that where CIDCO is a New Town Development Authority for Navi Mumbai or Special Town Planning Authority for New Towns of Aurangabad, Nashik, Nanded etc. makes no difference in the status of CIDCO as the agent of Government of Maharashtra and CIDCO is the agent of Government of Maharashtra for Navi Mumbai and all other New Towns and accordingly, the surplus / deficit in the Project Account, belongs to Government of Maharashtra.

Thus, there is no business activity of Corporation of its own and all the receipts and expenses incurred by the Corporation are on behalf of the Government of Maharashtra. The issue of whether the Corporation is an agent of Government of Maharashtra or not, is concluded by the decision of the High Court of Bombay Percival Joseph Pareira v/s The Special Land Acquisition Officer (Writ Petition No. 1211 of 2009). The Hon'ble High Court held that the Corporation is not a necessary party in land acquisition proceedings as the Corporation is merely acting as an agent of the Government of Maharashtra while acting as a 'New Town Development Authority' and, therefore, once the Government of Maharashtra is a party to the proceedings, the agent i.e. CIDCO is not separately required to be made a party. The High Court came to the conclusion that the Corporation is an agent of Government of Maharashtra on the basis of the interpretation of the provisions of the MRTP Act particularly section 113(3A) of the MRTP Act.

The Division Bench of the Bombay High Court in Civil Appeal No. 184 of 2010 vide order dated 6th March, 2013 confirmed the aforesaid decision of the Single Judge.

Hence, receipts and expenditure on various projects are transferred to individual project accounts and the net surplus / deficit is shown as payable to and receivable from Government of Maharashtra as all these activities are carried on by the Corporation on behalf of the Government of Maharashtra.

We state that Section 182 of the Indian Contract Act, 1872 defines an "agent" as a person employed to do any act for another, or to represent another in dealings with third persons. Therefore, when an agent carries on an act it is only on behalf of the principal. Hence, the same cannot be reflected as income / expenditure of the corporation. The only income of the corporation is the agency remuneration, which is reflected in the profit and loss account.

5. As per Sr.No.2 under Note 5(1) representing Navi Mumbai Project Account, a land admeasuring 20,405.77 Ha has been handed over by the GoM to the Corporation for the purpose of developing Navi Mumbai Project including 5289.40 Ha of Government land. However, the fact regarding unauthorized construction/encroachment of land/area admeasuring 33.38 Ha has not been disclosed by way of Notes to accounts for the year 2017-18.

Reply:

The suggestion to disclose the same in the financial statements will be considered henceforth.

Note 5(1): Navi Mumbai Project Account**Expenditure****Rs. 2194.67 crore****Receipts Written Back****Rs. 93.53 crore**

6. The CIDCO refunded (29.06.2017) lease premium amounting to Rs. 100.01 crore due to cancellation of allotted plot. However, an amount of Rs. 6.48 crore has been netted against Deposit/Liability written back which had no connection with this transaction.

This has resulted in understatement of expenditure and receipt of Navi Mumbai Project Accounts by Rs. 6.48 crore.

Reply:

The amount of Rs.6.48 Crores mainly consists of deposits written back which were in the form of receipts and accordingly the said accounting treatment was given. Further, there is no understatement of overstatement in overall position of the Project Account due to this accounting treatment.

ANNEXURE - II (B)
EXPLANATION TO THE MANAGEMENT LETTER OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(a) OF THE COMPANIES ACT, 2013 ON THE ACCOUNTS OF CORPORATION FOR THE YEAR ENDED 31ST MARCH, 2018.
Equity and liabilities**Non-Current Liabilities**
Other Long term Liabilities (Note No. 5) Rs. 11466.33 crore
Navi Mumbai Project Account (Note 5 (1)) Rs. 5492.89 crore
Receipts During the year
Supervision Charges (Receipts side) Item No. 12 Rs. 1.25 crore

- The Company besides being an agent for the Government of Maharashtra (GOM) for development of Navi Mumbai Township and other entrusted works in the State also undertakes works on deposit basis for Central/State Government Department/PSUs/Autonomous bodies, and acts as project Management Consultant. The Company charges/recovers supervision charges on percentage basis on the cost of the project. During the Year 2017-18 the Company received supervision charges on deposit work amounting to Rs. 1.25 crore and the supervision charges received upto March 2017 for the same were Rs.11.58 crore. The Company accounted for these supervision charges in the Navi Mumbai Project A/c. Since the supervision charges received is the income of the Company and has no connection with the Navi Mumbai Project, the supervision charges should have been accounted as Income of the Company in the statement of Profit & Loss. This has resulted in understatement of Income and profit for the years by Rs.1.25 crore and overstatement of Liabilities (balance under Navi Mumbai Project A/c payable to GOM) to the extent of Rs.12.83 crore.

This matter was also brought to the notice of the Management through Audit Comments of C&AG for the year 2014-15, 2015-16 & 2016-17. No action has, however, been taken by the Company on this.

Reply :

With respect to the said point, we state that City & Industrial Development Corporation of Maharashtra Limited (CIDCO) was incorporated on 17th March, 1970. The Government of Maharashtra vide Government Resolution (GR) No. IDL 5770/IND-I dated 18th March, 1970 entrusted CIDCO to act as an agent of Government of Maharashtra. As per the instruction issued in Government Resolution (GR) No. CID-2072-U dated 24th January, 1972 by Government of Maharashtra; CIDCO was given power to dispose of the land acquired by the Government and to incur expenditures on development work out of sale proceeds of land. The proceeds which are to be recovered from sale of land acquired by the Government are payable to the Government after adjusting development expenditure, administrative expenditures etc. For doing all these activities, the Corporation gets agency remuneration restricted to a maximum of Rs. 5,00,000/- p.a.

The Deposit Works are undertaken by the Corporation as per the directives issued by State Government from time to time. Further, the work with respect to the same are carried on utilizing the resources of the Navi Mumbai Project. Hence in view of the above facts, the supervision charge received by CIDCO has accordingly been transferred to the Navi Mumbai Project account as payable to Government of Maharashtra.

Thus, there is no business activity of Corporation of its own and all the expenses incurred by the Corporation whether capital or revenue, are on behalf of the Government of Maharashtra. The same view was upheld by the Hon'ble ITAT, Mumbai vide order in ITA no. 2985/M/2012 dated 08/08/2012 and ITA no. 4378, 4379 & 4383/ Mum/ 2013 dated 18/12/2014. Also, we would like to state that the same accounting treatment was given in previous financial year and has been followed in current year.

Navi Mumbai Project Overheads – Note 5(1) (A)
Payment to and provision for Employees : Rs. 176.23 crore
Administrative and Other Expenses : Rs. 118.38 crore

2. This includes expenses relating to VC&MD's remuneration, salary and perks of Company Secretary totalling Rs.0.50 crore and Rs.0.19 crore payable to Statutory Auditors as audit fees which have been charged to the Navi Mumbai Project Account as expenditure. Since these expenses are administrative in nature and some of them also of a statutory nature for the Company as a whole, these should have been charged to the Statement of P&L. This has resulted in understatement of expenses and overstatement of profit for the year and corresponding understatement of liability by Rs.0.69 crore.

This matter was also brought to the notice of the Management through Audit Comments of C&AG for the year 2014-15, 2015-16 & 2016-17. No action has, however, been taken by the Company on this.

Also, we would like to state that the same accounting treatment was given in previous financial year and has been followed in current year.

It is submitted that the Navi Mumbai project is by far the largest project of the corporation consuming more than 95% of total project expenditure. The managing director and all the other staff also devote almost whole of their time towards the Navi Mumbai project and hence, the Expenditure on VC & MD's salary & perks are debited to Navi Mumbai Project Account. It is submitted that considering the 'materiality' principal of accounting, the Corporation is completely justified in debiting the expenses in the Navi Mumbai Project Account.

Non-Current Investments – (Note-9) Rs. 217.39 crore
Investment in Equity instruments
Item No. 6 (M/s Mahatourism Corporation Limited) Rs. 2.55 Lakh

3. The CIDCO had made investment (01.01.2010) of Rs. 2.55 Lakh (2550 equity shares of Rs. 100 each) in M/s Mahatourism Corporation Limited (MTC). However, the financial statement of MTC for the year 2016-17 indicates that the MTC has accumulated losses and its net worth has been fully/substantially eroded. The MTC's current liabilities exceeds its current assets as at the balance sheet date. Further, resolution for winding up of MTC has been passed (30.06.2016) in the meeting of Board of Director.

However, this fact has not been disclosed in notes to Accounts of CIDCO for the year 2017-18.

Reply:

As replied by Company Secretary, the relevant Disclosures will be reported in the BOARD's Report of CIDCO for the Financial Year 2017-18 as per provision of Section 134(3)(i) of the Companies Act 2013.

4. The share certificates for 40,000 equity shares valuing Rs. 4.00 lakh (Rs.10 for each share) and 03 shares valuing Rs. 300 (Rs. 100 for each share) were issued by M/s Belapur Railway Station Commercial Complex Limited (BRSCCL) and M/s Mahatourism Corporation Limited (MTC Ltd.) respectively in the name of the following officials who have been retired from the Company.

Sr. No.	Name of the Company	Holder's Name	No. of equity shares	Value of shares
1.	BRSCCL	Vivek Shrikant Marathe	20000 of Rs.10 each	200000
2.	BRSCCL	Lakshmi Narashmha Duvvri	20000 of Rs.10 each	200000

4.	MTC Ltd	Dilip Vishnu Shekdar	1 of Rs.100 each	100
5.	MTC Ltd	Anil Mohan Agarwal	1 of Rs.100 each	100

However, neither these share certificates have been transferred from name of individuals to CIDCO's name nor this fact has been suitably disclosed in notes to accounts.

Reply:

CIDCO is the primary holder of the said shares. Names of the employees are mentioned as nominees.

As informed by the Company Secretary, the extract of Section 187(1) of The Companies Act, 2013 which states that

'A company may hold any shares in its subsidiary in the name or names of any nominee or nominees of the company, if and in so far as it is necessary so to do, to ensure that the number of members of the subsidiary is not reduced, where it is a public company, below seven, and where it is a private company, below two.'

In view of the above provisions, the names of the CIDCO officials are printed on the Share Certificates. And the same fact has been mentioned in the Annual Report of MTC Ltd. also which forms part of CIDCO's Annual report.

OTHER COMMENTS

5. On review of Journal vouchers (JVs) pertains to Store, Panvel Kalamboli section & Nerul Belapur sections, it was noticed that JVs have not been initiated / signed by the competent authority. Further, in few instances the JVs were signed by the Accountant only.

This was also pointed out during the supplementary audit of 2014-15. However, no corrective action has been taken by the Company. Therefore, the authenticity of JVs passed could not be ascertained in Audit.

Reply:

Journal Vouchers passed at the end of the year are related to rectification, adjustment and closing entries which are observed at Circle level by Accountant/A.A.O. Hence, as per prevailing practice, the same are signed by Accountant/A.A.O. There is no separate delegation of power (DOP) for signing JVs.

Further, in compliance of said point, all JVs of Store and Panvel & Kalamboli Circles are duly signed as per the payment passing DOP upto Sr. Accounts Officer.

We assure that, this revised course of action will be followed henceforth.

6. Following procedures prescribed in Finance Department Resolution (27.10.2015) for securing the invested funds were not observed by CIDCO.
- The verification of the original certificates of the funds invested in the bank or in other financial institutions was to be physically carried out by Chief Accounts Officer and Financial Officer themselves or by an officer one grade lower by making a visit to the Bank/Institution. However, the same was not carried out during 2017-18.
 - Verification of the invested funds and balance confirmation was not carried out every two to three months by personally visiting the bank/financial institution in person.
 - A quarterly report regarding the total fund invested in bank or other institutions and the interest received thereon was to be submitted to the administrative department. However, no such report was shown to audit.
 - Written instructions were to be issued to banks/other financial institutions that no overdraft/cash credit facility should be extended in any case unless the CIDCO is contacted in person and written confirmation is obtained. However, no such instructions issued were shown to audit.

Management may take necessary action regarding the same.

Reply:

The Corporation is taking utmost care and following the due procedure laid down for investment. The verification is done by Internal Auditor and confirmed by the Officer of the Department. However, the status of the Investment is put before the Board from time to time.

The report was submitted to the administration department regarding the total fund invested in bank or other institutions and the interest received on the same as on 21.12.2017. The recommended processes of verification by Sr. Officer, CAO will be done henceforth.
