**Sub: Minutes of the 29th meeting of Standing Committee of NBWL**

Sir,

During the 29th meeting of Standing Committee of NBWL held on 6th June 2013 under the chairpersonship of Hon'ble Minister of State (Independent Charge) for Environment and Forests, the following proposals pertaining to your State were considered. The relevant portions of the decision taken in respect of the proposals are reproduced below:

**1. Proposal for construction of Navi Mumbai International Airport (NMIA) at Panvel Taluka, District, Raigad in Maharashtra in 10 km eco-sensitive zone/Area (ESA) of Karnala Bird sanctuary (KBS)**

The Member Secretary informed the committee that this proposal was discussed during the 28th Meeting of Standing Committee of NBWL and after discussions, the committee had decided that a team comprising of Dr. Asad Rahmani and Shri Kishor Rithe would conduct site inspection and submit a report to the Standing Committee of NBWL for consideration. Subsequently, Dr. Asad Rahmani of Bombay Natural History Society (BNHS) informed the MoEF that BNHS had accepted the study from project proponent CIDCO and hence he would be unable to be a part of site inspection team as it would be a conflict of interest for him. Therefore, Additional Director General of Forest (Wildlife), Dr. Divyabhanusinh Chavda and Kishor Rithe were directed to conduct the site inspection vide letter (no.6-34/2013WL) dated 3rd May 2013. However, Dr. Chavda could not join the site inspection team due to his other engagements.

The site inspection was conducted on 9th and 10th May 2013 and after inspection, the team had recommended the proposal with certain conditions. An important conservation condition that came out during the site inspection was that Shri. Debi Goenka of the Conservation Action Trust, Mumbai had filed a Public Interest Litigation (PIL) on mangrove protection which will be applicable to mangrove area to be destroyed by proposed project of NMIA.

The committee, after discussions, unanimously decided to recommend the proposal subject to the following conditions, as stipulated in the site inspection report:

- As there are several project proposals coming to SC-NBWL around KBS, it is recommended that the CWLW should compile the information and proceed to assess the cumulative impact of those projects on KBS landscape (which includes several PAs mentioned by CWLW and surrounding wildlife habitats (together with forest, wetlands and mangroves), and plan about compensating/mitigating the damages collectively. For any further project in 10 km ESZ of KBS, this condition must be given due consideration.
- Air traffic at NMIA should not use the airspace above the KBS as promised during the meeting. The annual report "Baseline Survey of Avian fauna at and around "NMIA" produced by BNHS has, though not sufficient enough, suggested conservation measures in 10 km radius of NMIA. The potential wildlife habitats (wetlands, forest and mangroves) which comes in 10km ESZ of KBS should also be considered for implementing conservation measures.
- In order to have alternate site for migratory bird visiting wetland within proposed NMIA site Sewri coast wetland should be considered to be developed. The Sewri coast wetland of 1037 ha is a marshland protected from Arabian sea near the mouth of Thane creek. Thousand of flamingoes along with many other migratory water birds about 150 species are globally threatened) inhabit this marsh partly covered by mangrove. The Government of Maharashtra should nominate the same for Ramsar site.
- As per the Hon'ble High Court order dated 27 January 2010 the mangrove is a protected forest. As the project mangrove forest land, the state Government should see if any approval from the Hon'ble High Court is required. Mangroves eco-system has a unique aquatic fauna which carries a great importance. There is dense mangroves cover towards north side of the proposed NMIA site and parts of it also occur side the NMIA site. To compensate for the loss of important mangrove forest portion inside the NMIA site, the mangrove forest bordering NMIA site (including the mangrove park) should be declared as a mangrove sanctuary
- The project proponent should pay 3% of project cost for a fixed deposit with the wildlife department so that the interest amount can be spent on conservation of mangrove in the entire Mumbai wildlife circle.
- The government of Maharashtra has presently notified only 12.11 sq. km as KBS through there are more wildlife potential forest lands available between the KBS and the NMIA site. As those lands will be vulnerable for encroachments, we recommend that the state government should notify all such forest patches between the KBS and the NMIA as sanctuary before granting the final clearance. This will not only help to stop further encroachments on forest lands around NMIA site (Unlike encroachments around existing Mumbai airport) but also will help to reduce the risk of having any air traffic accident due to garbage attracted bird movements.
- Looking at the encroachments around SGNP and the existing Mumbai airport, the Government of Maharashtra need to ensure that the families be relocated at relocation site-2 (55Ha) at Dapoli which required 40 ha land and at relocation site-3 at Vahai on Amra marg should not further encroach upon any forest land around these sites or in 10 km ESZ of KBS. There are 10 settlements from 7 revenue villages which need to be acquired for NMIA project and to be relocated at these three sites.
- The project proponent should construct the boundary wall specially for relocation site-2 (along with 100 ha non-aeronautical activity area) during the construction of the project. This will also

- The Project proponent should allocate enough display space at the prominent location in the NMIA (As per the requirement of CWLW Maharashtra) free of cost to depict and highlight / publicise the importance of protected areas of Maharashtra to the tourists arriving at NMIA till the lifetime of NMIA.

**2 Proposal to set up an 80,000 TPA capacity plant for manufacturing Viscose Staple fibre at Additional Patalganga plot No. M1 and M2 at village: Sarsai, Dis Raigad, Maharashtra.**

The Member Secretary gave a brief introduction about the proposal. Mr. Kisliore Rithe mentioned that the area of Karnala bird sanctuary is just 12.11 sq.km and several other projects have been proposed around this small sanctuary. The SC-NBWL. has just recommended the Navi Mumbai airport too. Though the project is proposed in MIDC area, state has to reconsider about such polluting industries in this: MIDC specially after recommending the Navi Mumbai international airport in ESA of Karnala. The project location is just 1-5 km from the boundary of KBS and it has a captive power plant (which will use 265 tonne of coal per day) inside it. The CWLW has already expressed concerns on the fact that the plant will release solid waste of 1095 tonne/year and sludge waste of ,3200 up to 58.400 tonne/year from coal fired boiler. The treated industrial effluents released into saline water zone of the Patalganga River which flows near the sanctuary. The plant would seriously impact the nearby Patalganga river and wetlands such as Apta lake and Jambhvali river where sanctuary animals/birds do visits. He said that we should reject this proposal on this ground.

Dr. Asod Rahmani mentioned that since the nearby areas of the sanctuary is Maharashtra Stole Industrial Development Corporation area, not much wildlife is seen in the vicinity but discharge of effluent Patalganga is a serious issue.

The representative of the user agency informed that the project had already obtained Environmental Clearance and that their plant had the capacity for double effluent treatment before discharging into the sea and it is being ensured that no toxic materials are released into the river. He added that as for as gasous emissions were concerned, it was mainly Hydrogen Sulphide and Carbon-di- Sulphide. He added that there would be a 16 MW power plant with coal being imported from Indonesia as well as taken from India and time injection systems will be established to reduce Sulphur emission'

Mr. Prena Bindra expressed her concern about monitoring of affluent and its impacts, and desired to know who would be monitoring the effluent and gaseous discharges. Dr. M. K. Ranjitsinh desired to know about the proposed system for solid waste management, especially of fly ash. He gave the example of the Union Carbide factory in Bhopal where the monitoring of emission was a failure. He suggested that the monitoring committee should have members of State Board For Wildlife, a good NGO and representatives of State Wildlife Department. Project proponents explained that the world class environmental safeguards are being used in the project and assured that any conditions laid in this respect will be abided. The technical aspects were elaborated on query from Secretary E & F.

Chief Wild life Warden clarified that the project is within the already established MIDC industrial area and any effluents of the project are not affecting the WLS.

Taking note of the observations of the members, Chairperson asked for the final views of members. Shri Kishor Rithe was of the view that the project should be rejected. "It was decided to take a view on this matter later."

**3. Diversion of 1.65 ha of forestland from Karnala bird sanctuary for widening of existing 2 lane to 4 lane divided carriageway configuration for Panvel0Indapur (km 0.000 to km 84.000)section of NH-17, Maharashtra (Both within Karnala Bird Sanctuary and within 10 kms from Karnala Bird Sanctuary)**

The Member Secretary gave a brief account of the proposal. He added that he has seen the site during his inspection of Navi Mumbai airport site. This proposal was initially not recommended by the Chief Wildlife Warden as there was other alternative routes available. He suggested that this may not be agreed to as alternate routes which is outside the Sanctuary is available

Shri Kishor Rithe stated that he had inspected the site as a member of the state Board for Wildlife and the widening of the road from a lane to 4 lane within the sanctuary cannot be considered as alternate route is also available. The CWLW of Maharashtra may circulate the site inspection report of the state committee to the members of Standing Committee of NBWL

After discussion, the committee unanimously decided to reject the proposal and request the NHAI to follow alternate route outside Sanctuary.

The above recommendation(s) are subject to the existing directives of Hon'ble Supreme Court and provisions of Forests (Conservation) Act, 1980.

Yours faithfully

**आदेश:-** ज्याअर्थी, प्रधान मुख्य वनसंरक्षक (वनबल प्रमुख), महाराष्ट्र राज्य, नागपूर यांनी महाव्यवस्थापक (विमानतळ), सिडको लि., नवी मुंबई यांच्याकडून प्राप्त झालेला, नवी मुंबई आंतरराष्ट्रीय विमानतळाकरिता रायगड जिल्ह्यातील २५०.०६३५ हेक्टर वनजमीन वळती करण्याचा प्रस्ताव राज्य शासनास उपरोक्त अ.क्र.१ येथील पत्रानुसार सादर केला होता.

आणि ज्याअर्थी, नवी मुंबई आंतरराष्ट्रीय विमानतळ प्रकल्प हा जनहितार्थ असून, भारत सरकारच्या वन (संवर्धन) अधिनियम, १९८० च्या मार्गदर्शक सूचनानुसार प्रकल्प स्थळ विवक्षित (site specific) आहे. तसेच या प्रकल्पासाठी पर्यायी वनेतर जमिन उपलब्ध नसल्याची बाब विचारात घेण्यात आली.

आणि ज्याअर्थी, महाराष्ट्र शासनाने या प्रस्तावाची काळजीपूर्वक पडताळणी केल्यानंतर वरील अ.क्र. २ अन्वये वन (संवर्धन) अधिनियम, १९८० च्या कलम-२ अन्वये २५०.०६३५ हेक्टर वनजमीन वळती करण्याची भारत सरकारला शिफारस केली होती.

आणि ज्याअर्थी, भारत सरकारने या प्रस्तावावर नीट विचार करून, राज्य शासनाने वन (संवर्धन) अधिनियम, १९८० च्या कलम-२ खाली सादर केलेल्या प्रस्तावास वरील अ.क्र.-३ अन्वये तत्वतः मंजूरी दिलेली आहे. ही मंजूरी भारत सरकारच्या दिनांक १७/१२/२०१३ रोजीच्या पत्रात नमूद केलेल्या अटीची पूर्तता प्रकल्प यंत्रणा करेल याच्या अधिन राहून प्रदान केली आहे.

आणि ज्याअर्थी, प्रधान मुख्य वनसंरक्षक (वनबल प्रमुख), महाराष्ट्र राज्य, नागपूर यांनी वरील अ.क्र.४ येथील पत्रान्वये व महाराष्ट्र शासनाने वरील अ.क्र. ५ येथील पत्रान्वये अटी पूर्तता अहवाल पर्यावरण, वन व जलवायु परिवर्तन मंत्रालय, भारत सरकार, नवी दिल्ली यांना सादर केला होता.

आणि ज्याअर्थी, पर्यावरण, वन व जलवायु परिवर्तन मंत्रालय, भारत सरकार, नवी दिल्ली यांनी रायगड जिल्ह्यातील २५०.०६३५ हेक्टर इतकी वनजमीन उपरोक्त प्रकल्पासाठी काही अटींसह वरील अ.क्र. ६ येथील पत्रान्वये वळती करण्यास अंतिम मान्यता दिली आहे.

आणि ज्याअर्थी, प्रकल्प प्राधिकरण म्हणजेच महाव्यवस्थापक (विमानतळ), सिडको लि., नवी मुंबई यांना जनहित याचिका क्र. ८७/२००६ च्या अनुषंगाने मा. उच्च न्यायालयातील नोटीस ऑफ मोशन क्र. ४१९/२०११, दिनांक २९-१०-२०१३ अन्वये कांदळवन क्षेत्रात नवी मुंबई आंतरराष्ट्रीय विमानतळाचे काम करण्यासाठी मा. उच्च न्यायालय, मुंबई यांनी परवनगी दिली आहे.

म्हणून आता महाराष्ट्र शासनाद्वारे असे निर्देश देण्यात येत आहे की, प्रकल्प प्राधिकरण म्हणजेच महाव्यवस्थापक (विमानतळ), सिडको लि., नवी मुंबई यांना नवी मुंबई आंतरराष्ट्रीय विमानतळाकरिता रायगड जिल्ह्यातील प्रधान मुख्य वनसंरक्षक (वनबल प्रमुख), महाराष्ट्र राज्य, नागपूर यांच्या पत्रासह जोडलेल्या प्रकल्प प्रस्तावास अधिक तपशिलात नमूद केलेली आणि खाली दिलेल्या अनुसूचीमध्ये नमूद केलेली रायगड जिल्ह्यातील एकूण २५०.०६३५ हेक्टर वनजमीन या प्रकल्पासाठी वळती करण्यात यावी. हे वळतीकरण भारत सरकारच्या दि. १७/१२/२०१३ व दि. २४/०४/२०१७ रोजीच्या पत्रातील अटी व शर्तीच्या पूर्ततेच्या अधीन राहून तसेच खालील अटीच्या पूर्ततेनंतर पूर्ण करण्यात यावे:-

- १) वर नमूद केलेल्या भारत सरकारच्या तत्वतः मान्यता व अंतिम मान्यतेच्या पत्रातील विहित केलेल्या सर्व अटींचे प्रकल्प यंत्रणा अनुपालन करेल. प्रकल्प यंत्रणा सर्व अटींचे तंतोतंत अनुपालन करेल याची मुख्य वनसंरक्षक (प्रा), ठाणे हे खात्री करतील. मुख्य वनसंरक्षक (प्रा), ठाणे याबाबतचा अहवाल वेळोवेळी अपर प्रधान मुख्य वनसंरक्षक तथा केंद्रस्थ अधिकारी, महाराष्ट्र राज्य, नागपूर यांना सादर करतील.
- २) मा. उच्च न्यायालय, मुंबई यांनी दिनांक २९/१०/२०१३ रोजी दिलेल्या आदेशाचे पालन प्रकल्प यंत्रणेने करणे आवश्यक आहे.
- ३) वन (संवर्धन) अधिनियम, १९८० व त्याअंतर्गत केलेले नियम आणि मार्गदर्शक सूचना व या आदेशातील अटीपैकी कोणत्याही अटीचे अनुपालन न करणे हे वन (संवर्धन), १९८० चा भंग ठरेल आणि त्याप्रमाणे याबाबत वैधानिक कारवाई करण्यात येईल.

- ४) उपरोक्त अटीपैकी कोणत्याही अटीचे अनुपालन न केल्यास (non-compliance) संबंधित मुख्य वनसंरक्षक/उप वनसंरक्षक, वन (संवर्धन) अधिनियम, १९८० अंतर्गत दि. २५/१०/१९९२ रोजी निर्गमित केलेल्या मार्गदर्शक सूचन्यातील कलम १.९ नुसार अहवाल राज्य शासनामार्फत क्षेत्रिय मुख्य वनसंरक्षक, पर्यावरण, वन व जलवायु परिवर्तन मंत्रालय, भारत सरकार, पश्चिम मध्य क्षेत्र, नागपूर यांना सादर करतील.
