No. CIDCO/CBD/SE (HQ)/2016/

02.03.2016

Circular

Subject: - List of Approved Vendors who are manufacturing various products to be used in CIDCO Projects.

The vendors manufacturing various materials being used in civil and electrical construction works are short listed by CIDCO as per prevailing procedures. List of such approved manufacturers is being circulated on regular basis to divisions / circles to enable them to incorporate the same in the tenders invited for various works.

In order to give wide accessibility to the tenderers to different products, the incorporation of the list in the tender document is essential.

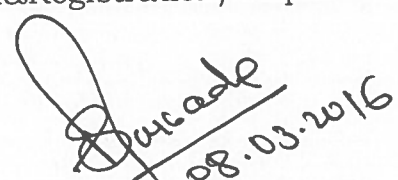

It may please be noted that if the list of approved makes in the tender document does not include the name of a particular vendor as per the list enclosed, it may still be considered as valid for incorporation in the ongoing contract. In such cases, concerned SE/EE in consultation with SE (HQ)/ EE (PA&Registration) will complete the procedural formalities.

The list of approved vendors whose registration has been approved/ renewed as on 29th FEBRUARY 2016 is published on our website www.cidco.maharashtra.gov.in

The validity of the approved vendors shall be invariably be confirmed before inclusion of the same in the list of approved makes in the tenders.

Divisions / circle heads are requested to ensure that product from list of approved vendors issued by the office of SE (HQ) / EE (PA&Registration) required for the particular work shall be included in the tenders.

This is issued as approved by CE (NM).

Superintending Engineer (HQ)

C.C. to: CE (NM)/ CE (NMIA)/ CE (SP)

**LIST OF REGISTERED/APPROVED
VENDORS
CIVIL & ELECTRICAL &
Miscellaneous WORKS UPTO
28TH FEBRUARY 2016.**

**LIST OF REGISTERED/APPROVED VENDORS
CIVIL & ELECTRICAL & Miscellaneous WORKS**

- (1) The following suppliers are enlisted as approved vendors whose registration has been approved/ renewed as on 29.02.2016.
- (2) **Preambles:** (a) The user, to ascertain quality of the product before acceptance.
 (b) The user, to ascertain capacity of vendor for supply schedule.
 (c) The user, to carry out all test as per relevant IS codes.
 (d) Inclusion in the approval list does not absolve the user from acceptance of bad quality of product.

The user to ascertain quality of product before acceptance, capacity of vendor for supply schedule, to carry out all tests as per relevant IS code, past & present supply performance of various contractors in Mumbai & Navi Mumbai.

Inclusion in the approved list does not absolve the user from acceptance of bad quality of product.

These materials shall be included in all future tenders and present ongoing works. Also the feedback on performance of the product is essentially expected from Executive Engineers.

3/3/2016
Executive Engineer (PA & Registration)
